# Circles of Strength

New Releases

Every life follows a certain rhythm, a cycle. Like nature we experience phases of weakness and phases of power; times of loss and times of fullness. The seasons follow a creation cycle, also day and night, as well as the phases of the moon. In our hectic, challenging daily life we often forget that we are a part of this nature.

The cards "Circles of Strength" are inspirations with which we can come closer to our own rhythm of life, and thereby our own truth. We may allow ourselves phases of weakness, and we may also celebrate our successes loudly and joyfully.

The sensually designed inspiration cards are like modern, powerful mandalas.

In the comprehensive booklet, thought-provoking impulses as well as mindfulness, meditation and awareness exercises deepen the inspirations of the cards.
