The Amazing, Century-Spanning Tarot

The Llewellyn Tarot is a stunning achievement that has already drawn acclaim for its depth and beauty. Its watercolor imagery invites you into a mystic world of ancient forests, sensuous seascapes and wondrous waterfalls brimming with mystery, meaning and magic. This lavishly illustrated deck is based on the traditional Rider-Waite-Smith deck, making readings easy. It also reveals a compelling Celtic story featuring Rhiannon as The Empress, Bran the Blessed as The Emperor, The Wild Herdsman as The Devil, Gwydion as The Magician, Llew Llaw Gyffes as the Bringer of Light and other figures from Welsh mythology.

This deck—created by famed artist Anna-Marie Ferguson—reveals Welsh myths and honors Llewellyn George, who traveled from Wales to the U.S. in 1901 to teach astrology and start Llewellyn Publications. Contributor Bio

Anna-Marie Ferguson, a Scorpio, was born November 10, 1966, in the heart of the New Forest, Hampshire, England. When she was ten years old her family emigrated to rural Alberta, Canada. Anna returned to England in 1982 to undergo training in graphic design. She eventually returned to Alberta, where she continued a career in design, devoting her spare time to developing her illustrating skills, ably assisted by her three cats.

Anna's fascination with Celtic legends and the Tarot began when she was a child in England. The atmosphere of the New Forest was steeped in history, and faithful readings of the legends cultivated an appreciation of "the romantic" in Anna. Such formative influences have inspired Anna to keep this bygone age alive through her art.

Necronomicon Tarot

Anne Stokes, Donald Tyson

Summary

Grim Agents of Cosmic Forces...

In the early twentieth century, legendary horror writer H.P. Lovecraft described an ancient tome as "the unmentionable Necronomicon of the mad Arab Abdul Alhazred...a book which I had never seen, but of which I had heard monstrous things whispered." In the early twenty-first century, best-selling author Donald Tyson wove the myriad rumors and whispers of Lovecraft's dread grimoire into the epic fantasy novels *Necronomicon* and *Alhazred*. Intended as a trilogy, this tarot completes Tyson's formidable work.

The Necronomicon Tarot brings the phantasmagoric desert wanderings of Alhazred to life in a stunningly visceral deck and companion book. Seventy-eight captivating illustrations by fantasy artist Anne Stokes capture the mythic and monstrous world of Tyson's *Necronomicon* while remaining true to the underlying structure and tradition of tarot. Prepare to enter a world where the accursed and tormented poet wanders in search of the greatest and darkest magic—divination with the dead.

This kit includes 78-card tarot deck and 240-page companion tarot book.

Otherkin Tarot

Siolo Thompson

Summary

From the creator of the bestselling *Linestrider Tarot* (9780738748290) comes a world that is both strange and familiar—both other and kin. Each card in this unique deck features a being who inhabits the liminal space between myth and fact, human and animal. A lion with the body of a man sits on the Emperor's throne, a sagacious owl acts as Hierophant, and frogs and foxes take on human garb.

The Robin Wood Tarot

Robin Wood

Summary

A Tarot for Pagans and Non-Pagans Alike

The Robin Wood Tarot has rapidly become one of the most popular Tarot decks in the world. Its beautiful art, vibrant imagery and luminous energies, enchants everyone.

The 22 Major Arcana cards are filled with life that was previously unseen in the Tarot. It is also filled with the energy of nature, taking the images outside of rooms and into the beautiful abodes of the gods. For example, The High Priestess is an ageless woman wearing a lunar headband. Behind her are trees and a darkened sky lit only by the moon.

The shining strength of this deck lies in the fifty-six cards of the Minor Arcana. The characters on the cards almost seem to breathe. Often, the cards seem so dimensional you get the feeling you could jump into them. Watch the boy carve pentagrams on wooden disks in the eight of Pentacles. Gleefully help steal blades in the five of Swords. Join in the merry dance on the four of Wands.

The 56-page booklet explains everything to give a Tarot reading, including the upright and reversed meaning for each card and 3 different layouts. Each of th...

The Tarot of Vampyres

Ian Daniels

Summary

Embrace the night as you succumb to visions of blood-red roses and feel the impassioned rhythms of your feverishly pounding heart. The Vampyre legend is rooted in darkness and seduction, yet its eternal message is one of spiritual hunger—to taste the Divine.
